

TEAMWORK

Over 6,000 employees comprise our team within the City of El Paso organization. These employees come together everyday with the important role and task of assisting with the smooth and continuous delivery of City services. The synergy created by this team of professionals allows, in the larger scheme, for the operation of the City as a whole.

We work together, as a primary and core value, cross-departmentally and cross-functionally towards the efficient function of the City. Teamwork is a vital element of the City's operation and a standard that it runs by.
